NEW YACHTS - Moonride Yachts - Moonride 80

Condition: new

Year: 2021

The all-new Moonride 80S with her elegant and audacious exterior shapes is the queen of our production line. Central access from the stern hydraulic platform leads between double sunpads to the main deck saloon that opens up through an electric roof giving an amazing sky view. The foredeck features a seat with sun transformable sunpads. Below deck, eight guests can enjoy the four large cabins flooded with natural light. All cabins are with private bathrooms. An additional double aft cabin for occasional guests or crew is also available. M80S embodies power and elegance in the best experience offered by the Moonride Yachts Shipyards.
