PRE OWNED YACHTS - Power 75

Condition: used

Year: 2015

Mileage: 355 Hours

Price: € 4.900.000 EUR

Every Wally is the result of taking a functional approach to product development. This combination of form and function means that every technical solution is developed with consideration for the overall aesthetic beauty. Every detail, every fitting, every space is carefully analyzed and designed to contribute to the overall Wally appeal, regarded as the state of the art in yachting.
