NEW YACHTS - Moonride Yachts - Moonride 43

Condition: new

Year: 2021

RUNABOUT 43 The Moonride Runabout 43 is an exclusive and elegant boat mainly dedicated to daily excursions or short cruises: a yacht with an aggressive character, disguised with a classic lay-out and modern sparks. Two souls, innovative and sporty The boat has a well-proportioned narrow hull with a deep V, which enhances its marine and sporting qualities. Internally you can find a transformable cabin in the lounge area and a large bathroom. Runabout 43 is a villa tender with a strong but balanced design, perfect for sea lovers. Interiors Below deck, at the bow and with side access from the left side, we find a large cabin with a convertible sofa and a large bathroom. The interiors, with a classic and marine style, remain elegant and can be customized depending on the choices of each ship-owner. Exteriors The boat is shaped like a walkaround with the overhead right walkway. At the bow you can find the hatch of access to the anchor locker. Aft of the peak, there is a bow sofa with a central teak table and a telescopic support becoming a sundeck as needed. The sofa can comfortably accommodate six persons.
