NEW YACHTS - SCANNER - Envy 1400

Condition: new

Year: 2026

Scanner Envy 1400 Outboard Spacious decks, sleek lines, and premium finishes for uncompromising comfort — a true jewel of the sea, a flagship that captivates at first glance. Its exclusive, harmonious design invites you to enjoy unforgettable days on the water. The outboard engines, perfectly integrated, preserve the vessel's balanced profile while enhancing the unique character of this RIB. This version stands out with a distinctly sporty and aggressive spirit, instantly evoking the urge to push the throttle, combining sheer power with remarkable solidity. At the stern, two large separate sun pads provide total relaxation and easy access to the sea. The helm station, with three seats and an imposing hard top, delivers both protection and practicality, while below deck, meticulous attention to detail and refined finishes create an elegant and welcoming atmosphere.
