Primary Engines: Inboard
Hours: unknown
Power: 800 kW

Engine #2

Engine Make: CAT
Engine Model: C15
Primary Engines: Inboard
Hours: unknown
Power: 800 kW

Manufacturer Provided Description

Aicon 58 Fly is a symbol of neverending luxury and elegance which has already been mentioned to be the best model in the range among fifty and sixty feet. A small yacht for great yachtsmen. The largest of the Aicon range under 60 feet is a new yacht which expresses the key concepts of the Aicon brand style. Eighteen metres of style, elegance and refinement which make the new boat extremely livable and comfortable. Realized with all the characteristics of a megayacht, which this time have been applied to a boat of approximately 18 metres, the Aicon 58 Fly is the result of an ideal organization of space which creates fluidity between the internal and external lines. The balance between the choice of precious and natural materials, the best on board equipment and the linearity of the boat makes it an example of perfection.
